

# **Boarding Pricing & Policies**

319 A Street PO Box 138  
Grand Coulee, WA 99133  
(509) 633-0711

## Policies

- ◆ All boarding pets must be current on immunizations. We recommend they be updated at least 7 days prior to your pet's scheduled stay to insure best protection.
  - ◆ **Dogs:** Rabies, Bordatella (Kennel Cough), and DHPP (Parvo/Distemper combo)
  - ◆ **Cats:** Rabies and FVRCP (Distemper/Upper Respiratory)
- ◆ All prices are per night and subject to change. Check out time is noon. Pets picked up after noon will be charged an additional day of boarding.
- ◆ Please avoid, if possible, picking your pet up at the busiest points of our day: first thing in the morning as we open for the day, right before or after our noon break, or within 30 minutes of closing. This allows us to give you, your pet, and our other clients better service

**We are sorry but there are no Saturday or Sunday check-outs.**

- ◆ You are encouraged to bring your pet's own food. If you choose not to, we will provide the appropriate Science Diet food for them.

*Please keep in mind that abrupt changes in food can lead to gastrointestinal upsets including vomiting and/or diarrhea. For this reason we highly recommend that you bring the food your pet is accustomed to for use during their stay or sufficient food for a transition to our diet if your pet is staying for an extended period of time.*
- ◆ Medications: Please let us know when you schedule your appointment if your pet is on medication. Some medications may require special arrangements with our staff so your understanding is appreciated.
- ◆ Please be sure to mark all your pet's belongings. Understand that we try our best to keep beds, blankets and toys intact but some pets do chew their belongings up even if they are not chewers at home.
- ◆ Maximum stay is 14 days.
